Salisbury Tennis Club prides itself on being a **friendly local club**, which welcomes people whether their interest is in social or competitive play, or both. Whatever your capabilities, there is something on offer for everyone!

The Club is set within attractive grounds with a **modern clubhouse** and provides a relaxed, family environment with three good quality courts with winter lighting. We are located on Salisbury Avenue, in the Fleetville area of St Albans. The Club has existed in its current location since the formation of a private tennis club in 1961 – **over 60 years of promoting the enjoyment of tennis !!** We view ourselves as a community focused Club with many members living in the immediate areas of St Albans.

Although we are outdoors, there is **tennis on offer all year round**, supported by one of the best playing surfaces in the county. Our new state of the art court lighting installed on two of our courts enables us to provide tennis and coaching throughout the year !!

We have an excellent coaching programme run by our club coach **Tom Dyball and his team**, who offer coaching for all age groups and abilities, creating an opportunity for players to progress their tennis. Groups and 1-2-1 lessons are available.

Membership commences on 1 April each year.

Organising your time to play is easy – courts are booked on-line using ClubSpark so that you are sure you can play when you visit the Club.

The Club also holds a **Senior and Junior Club Open Tournament** each year, which provides a number of openings for members to take part, a finals day and the opportunity to win one of the trophies.

Regular playing groups are organised throughout the week for Womens’ (Tues & Sunday), Mens’ (Wed & Sunday), and Mixed Social Tennis (Thursday). Players communicate via WhatsApp groups to keep up to date with timings and who is playing.

The Club promotes a strong Junior Programme with Group Coaching, Holiday Camps and a weekly Friday Junior Night. Our Junior Coordinator is Josie Raison at sltc1juniorRep@gmail.com.
